

Worksheet 6: When you have finished

If you have finished you should be really proud of yourself. Finishing is the hardest part.

Keep your story somewhere safe so that when you are grown up you can look back on it. I recently spent an afternoon looking back at the stories I wrote when I was your age. It was a lovely thing to do and made me laugh a lot. It also brought back lots of memories that I can put in my ideas book.

On the next page is a certificate for you to print out and fill in and keep. You can put your name on it and also the title of your story.
